- ✦ With globalization it is our constant endeavour to keep continuously shoring up our competences and resources, so that we can offer students the very best of professional education.

Messages

Chairman's Message

Dear Students,

There are many ways to be educated and many subjects that can be studied. A good education is defined as acquiring skills and the one that teaches a student to think. Thus IPSR Group of Institutions selected innovative and creative factors to create a hub of higher and quality education. We provide opportunities to the young generation for evolving their core competencies and building up their career as world class professionals with broad based foundation, in-depth knowledge and versatile personality to meet the challenges and global competition in tune with industry aspirations.

Our vision is to create an environment that shall foster the growth of intellectually capable, innovative and entrepreneurial professionals, who shall contribute to the growth of Technology and Management in partnership with industry. IPSR aims at developing and harnessing the students for the welfare of the nation and mankind.

With this, I invite you to experience the environment at IPSR Group of institution, that is a unique blend of traditions and modernity which helps in equipping the students to face challenging roles that the future offers.

“A nation is built only by educated and cultured youths with determination, confidence and dedication.”

Mr. Badri Vishal Tiwari
(Chairman)

Vice Chairperson's Message

Dear Students,

I take great pleasure and pride to welcome you to IPSR Group of Institutions to shape and sharpen your capabilities and talents. Education is a process of nurturing and culturing the energies and therefore requires a local surroundings as gifts of the nature such as free air. I expect you to make full use of the best facilities in terms of faculty, infrastructure and peaceful environment for pharmaceutical and management education and live with the Motto “In pursuit of Excellence”.

I wish you a very happy and memorable stay at IPSR and great success in all your endeavours.

Mrs. Usha Tiwari
(Vice Chairperson)

President's Message

Dear Learners,

Saraswati Educational & Cultural Society was established in the year 2006 by Mr. Badri Vishal Tiwari, the Founder of the Educational Society with a motto to provide need based education at all levels and to create an opportunity to all deserving students.

With a view of providing quality technical education, IPSR Group of Institutions started Pharmacy in the year 2007 with an intake capacity of 60. The college is approved by AICTE, PCI, NCTE, BCI New Delhi & Affiliated to Dr. APJAKTU, BTE, SCERT Lucknow, & CSJMU Kanpur.

To achieve our goals and to create opportunities, the society has established new institutes for Management, Pharmacy, BTC & now school education with Panchshila International School.

The Society has started BBA, BCA, MBA & MCA in a new campus with modern facility. The society is going to start L.L.B. (3yrs) & B.A.L.L.B (5yrs) with modern facility.

The trust has selected eminent personalities from the field of education and industry as members of the management committee, who have committed to provide guidance and advice on academic and professional levels from time to time.

I strongly believe that quality education is one of the most important tools, which will change our society for a better tomorrow and make that much needed difference towards a better world, for the generation and generations to come.

With utmost trust in your abilities as nation builders,
Warm Regards,

Dr. Jitendra Tiwari
(President)

Director's Message

It is an immense pleasure to write this message and welcome everyone to IPSR Group of Institutions. I strongly believe that in our institute you will surely fulfill the strong desire of becoming aspiring students in the field of pharmacy as well as Management.

As our mission stands, the college cultivates its students to acquire a strong scholastic ability, integrate diverse perspectives and approaches with real-world applications, and become future pioneers in the field of Pharmaceutical technology and Management. We are proud of our well-earned reputation for academic and research from the earlier batches of B. Pharm and M. Pharm students. They have kept our commitment by being securely well placed in various sectors of the field of Pharmaceutical Technology. Even in the Management Sector our students have been selected by reputed companies.

In the last ten years, the college has developed with proper infrastructure, highly experienced faculties and staff to deliver value. At IPSR Group of Institutions both Pharmacy and Management programmes include rigorous course work, both theory and practical, seminar presentations, research projects and dissertation work. Apart from academics, the students are equally active participants in social service projects, sports, various competitions and cultural activities.

Our IPSR campus welcomes all aspirants to join our journey to further progress. Wish you all the success in your studies.

Prof (Dr.) Amresh Gupta
(Director)

Classroom & Conference Hall

The classrooms are spacious. The seating arrangement for the students is made with benches, which are designed ergonomically. Each classroom is equipped with modern audio-video teaching-learning aids e.g. OHP, LCD, Projector etc.

Teaching methodology –

In order to impart the students the best possible knowledge, the classroom sessions at I.P.S.R are augmented by Project studies, assignments, case studies, practical classes, games, presentations & brain storming sessions. We pay due attention on practical application of knowledge because we firmly believe that theory without practical is merely words without spirits. Through these methods, we endeavour to generate and encourage more creative and innovative thinking in our students.

Library

Library is having a subscription of about 20 National Journals & Magazines, 10 International Journals & Magazines and more than 5 thousands articles on different topics according to the guidelines of the AICTE and Dr. APJAKTU with a separate reading room. The library is well furnished, computerized, ventilated and well illuminated. It can accommodate more than 100 students at a time with the additional Reading Room facility. It aims to facilitate production & dissemination of knowledge, information, insights & intellectual contribution in all areas of education among the academic and business community. Students have access to the latest magazines, international journals,

newspapers and research papers. The library has large number of books and has an annual subscription of many Pharmaceutical and Management related journals. The library is open till late evening hours.

Hostel Facility

I.P.S.R has excellent hostel facility for Boys and Girls in the campus itself. The following facilities are provided for the students:

- Well ventilated boarding/hostel having dormitory system
- Hygienic and Nutritious multi cuisine food - Mess facility is an integral part of the hostel, which provides wholesome, nourishing and homely food. Mess caters to the taste of the students of different regions and varied preferences. There are certain guidelines which are to be followed while planning the menu. The menu is planned and managed by the students in consultation with the caterer and the management, who is responsible for managing the affairs of the hostel. The mess committee has representation of the students as well.
- 24x7 In house medical aid and in serious conditions drop home facility supported with Ambulance. The Institute has tie up with reputed local hospitals for medical treatment.
- In house faculty for extra classes to support students who need enrichment classes.
- Systematically organized house keeping -The Management is very particular that the rooms are clean, well ventilated and hygienic. Each wing of the hostel has a recreation room.
- Wi-Fi connectivity in the campus
- Security
- Campus Surveillance with high definition camera
- Special Security for Girls
- 24X7 Hostel Warden Available in Hostel

Transportion Facility

IPSR has dedicated buses to carry students to the campus. This facility can be availed of both by the hostellers as well as day scholar students. Shuttle bus facility from the nearest bus route to the campus for guardians and students is another feature.

Laboratories

The practical exposure in Pharmacy curriculum is necessary. Keeping in mind the necessary practical training in various aspects of drug and medicine manufacturing, spacious and utility oriented laboratories have been constructed. We have laboratories for Pharmaceutical Chemistry, Pharmaceutics, Pharmacology and Pharmacognosy. The laboratories are well equipped with chemical, glass wares, equipments, instruments and machineries, which are required for training.

- **LABORATORIES**

The college has well furnished labs for day to day experiments and research activities.

- **PHARMACEUTICS LABS**

Have six station dissolution testing apparatus, rotary tablet compression machines, capsule filling machines, coating pans, stability testing chambers, lyophiliser, BOD, autoclaves, digital colony counters, laminar flow, shaker baths, ball mill, tube filling machines, volumetric bottle filling machine, friability apparatus, planetary mixer, sigma mixer, tray driers, emulsifier, single station tablet machine, Zone readers, IR balance, bulk density apparatus, colorimeter etc.

- **PHARMACEUTICAL CHEMISTRY LABS**

We are furnished with Abbe's refractometer, digital auto melting point apparatus, electronic balances, atomic model sets, hot plates, hot air oven, Kjeldal distillation units, vacuum pumps, polarimeter, deionizer, freeze drier etc.

- **PHARMACOGNOSY LABS**

We have heating water bath, compound microscopes, optical microscope, muffle furnace, distillation units etc.

- **PHARMACOLOGY, HUMAN ANATOMY & PHYSIOLOGY LABS**

We have binocular microscope, sphygmomanometer, hemocytometer, stethoscope, dissecting microscope, eddy's hot plate, rota rod apparatus, actophotometer, Sherrington drums, electroconvulsimeter, human skeleton – articulated & disarticulated, cook's pole climbing apparatus, respirometer.

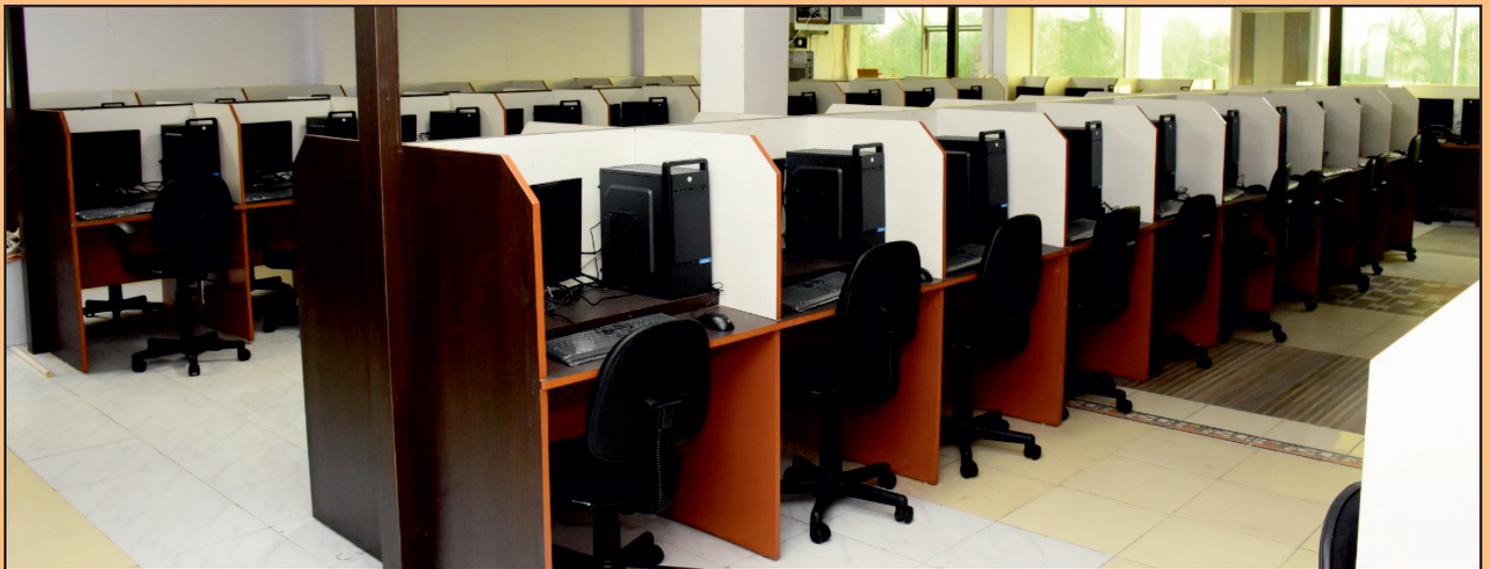

- **RESEARCH LABS & ANIMAL HOUSE**

We have, HPLC, UV Visible spectrophotometer, digital nepheloturbidity meter, viscometer, electronic balances, conductivity meter, flame photometer, orbital incubator shaker bath, projection microscope and CCSEA Approved Animal House.

Computer Lab

Over the past few years I.P.S.R has built an excellent infrastructure for imparting the software skills to the students using the latest tools & technologies. Each student is provided with an branded Desktop of latest configuration. The state-of-art computer lab has 254 latest Pentium-IV based computers, with optical fiber connectivity. The computer centre has MSDN, academic alliance with Microsoft for latest product update. The internet facility is available round the clock using ISP connection of 100 MBPS fiber optics bandwidth 1/1 compression ratio. I.T.S-IM computer lab has installed the most advanced statistical software package i.e. SPSS-15.0 for Windows for facilitating research work by students and faculty members.

Herbal Garden & Museum

At IPSR Group of Institutes, learning goes beyond classrooms and textbooks. Embracing a holistic approach to education, the institute proudly hosts a dedicated Herbal Garden and Herbal Museum – a unique blend of nature, knowledge, and tradition.

The Herbal Garden is a serene green space within the campus, home to over 100 varieties of medicinal and aromatic plants. From Tulsi, Ashwagandha, Brahmi, and Aloe Vera to Neem and Giloy, each plant is labeled with its botanical name, medicinal uses, and cultural significance. This garden serves as a live classroom for students, especially those in life sciences, pharmacy, and environmental studies, encouraging hands-on learning and awareness about India's rich tradition of herbal medicine.

Herbal Museum, a thoughtfully curated space that showcases the legacy of traditional Indian healing practices. The museum features preserved specimens, dried herbs, ancient Ayurvedic tools, visual displays, and educational charts. Visitors can explore the therapeutic uses, preparation methods, and history of various medicinal herbs and formulations.

Canteen

The canteen at IPSR Group of Institutions is more than just a place to eat – it's a vibrant social hub where students relax, interact, and recharge. Offering a clean, hygienic, and spacious environment, the canteen serves a wide variety of delicious and affordable meals, snacks, and beverages. From traditional Indian dishes to quick bites and refreshing drinks, the menu caters to diverse tastes and dietary needs. Strict hygiene standards are maintained, ensuring both quality and safety.

Sports

With a strong focus on overall development of the student's personality, IPSR has robust sporting infrastructure. This includes facilities for Chess, Table Tennis, cricket, volley ball, throw ball, badminton and indoor games like Carrom etc. Every year annual sports meet is organized. Students participate in various indoor & outdoor games regularly.

on IPSR Group of Institutions

ABHISHEK KUMAR SINGH
(Therapy Manager at Cipla)
Kanpur

Am always proud to call myself a product of IPSR Group of Institutions. The level of coaching and the care we got from the faculties are amazing and the subject knowledge still remains fresh in my mind even after so many years of industry experience. It is because of the way we were taught the subject and the way it is related with the real time scenarios given by our staffs. Apart from curriculum we are encouraged to participate in all inter college events which gave us exposure and builds lot of confidence in ourselves. We have got the best placement cell which gives customized care for every student and coaches them to achieve their aspiration in life.

JYOTI SINGH
(SRF)
National Institute of Immunology

It was a remarkable experience studying at IPSR. My experience as a student for four years was professionally beneficial and personally rewarding. Being here has enhanced my knowledge about the problems concerning different aspects of professional life. I consider myself fortunate enough to be a part of the institution and the community.

AJEET KUMAR RAI
(TBM)
Biocon Limited

My College days are unforgettable and in fact those days are the most happiest & fruitful days in my life. I proudly feel that I cherished every moments of my college. My experience in IPSR was just amazing. I got infinite lessons from my teachers, there teachers made me do "Work Hard" for the way to success. I am really very happy to be here again as a faculty member.

TRAPTI TIWARI
(TM)
Jubilant Generics Ltd.

One of the most interesting stage in life that gives you an opportunity to explore is the College stage'. My days at IPSR are precious memories of fun, activity and enjoyment together with studies. College made me the person who I am today... Bold & confident...!! It's the time when you decide your career. I did my Bachelors and Masters in Pharmacy from IPSR and by the grace of God, got an opportunity to serve this college as a faculty member under the super guidance of my all respected teachers who all have taught me.

SHAKTI KUMAR
(QC Analyst)
